

Name _____

Digital Citizenship

A good digital citizen uses appropriate and responsible behavior when using technology.

Draw a picture of yourself being a responsible digital citizen in the following ways:

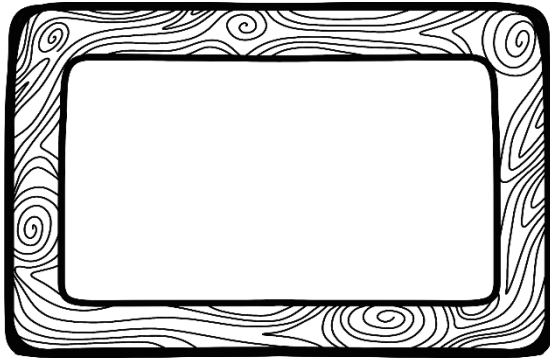

Showing respect and using kind words when online.

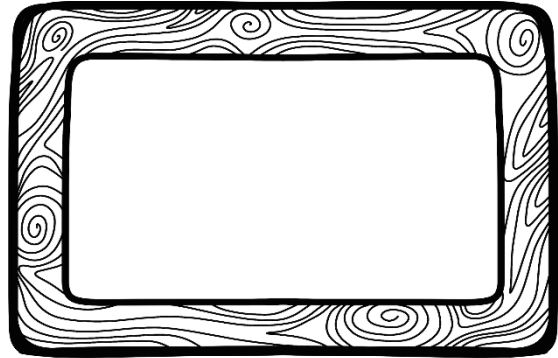

Standing up for others who are being bullied online.

When at school, using devices for educational purposes only.

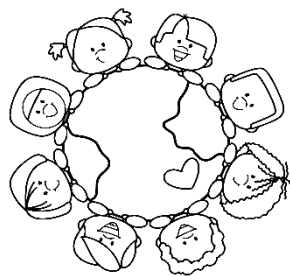

Protecting private information and passwords online.

Are you a good digital citizen? Circle YES or NO

What makes you a good digital citizen?

Name _____

Patriotism and Symbolism

When one is patriotic, they show love and support to one's country. Some people show patriotism through having or displaying a national symbol.

National Symbols may be any object or sign that carries meaning for that country.

Some examples of national symbol include:

- Flags or banners
- National colors
- Pictures of the land
- Seal or stamp of the land
- Pictures of the leaders
- Pictures of the people
- Flowers of the land
- Food associated with the land
- Dance or song associated to the land

If you could design your own national symbol, what would it look like? Design it below.
