

My Government Officials

People always look for different traits in their government officials. What are some of the traits you would want in the people who take care of your country, state, and city?

Circle AT LEAST 5 traits that you want in your officials, then explain why you chose those traits:

Tells the truth

Thinks of others

Funny

Aggressive

Strict on rules

Cool looking

Listens to people

Their group over others

Patient

Works with others

Avoids conflict/problems

Looks like me

Wants to learn more

Quick worker

Handles critiques

Set in their ways

Positive

Dressed well

Doesn't give up

Biased/one view

Sets super high goals

Why did you choose these five traits for your government officials? Why are these important to you?
