

Zombie Apocalypse Scenario

OH, NO! A new variant of a deadly virus has been spreading quickly around the world! But wait.... It seems that people aren't dying, but turning into zombies instead. You're the only one left in your area, and you need to survive, for the sake of the human race. Since no one is there to run the infrastructure, all electricity is out (no phones, no TV, no power). Think of a list of the 5 most important items you need to get from the store in order to survive this apocalypse....
