## U.S. Constitution

*Americans exercise the rights and freedoms protected by the first ten amendments on a daily basis. Your objective is to find examples of each of the ten amendments in recent events (news, newspaper, magazines, social media, etc). While some amendments, like the First, will likely be easy for you to find examples of, other amendments, like the Eighth, may prove to be more difficult. Feel free to get help from your parents/guardians to initiate conversations.*
