the worst day ever

Have you ever had a bad day. I definetly have It all started when my alarm clock didnt go of. Ofcourse i over slept and mist the bus to school. I had to get my dad to drive me and he was not very plesed. my teacher mrs. Smith was mad that I was late and mad me stay in a break to maek up the time. I hate missing break time.

After brake was Phys. Ed class and i was missing one of my sneekers. I had to sit on the bench during class and couldnt play z-ball with every one else. Later that day my math teacher gave us 10 pages of homework, and it was all dew tomorrow On my way home from school, my bookbag broke and all my books fell out and the pappers went everywhere. I don't think this day could get any worse, but wen i got home i found a huge surprise....my mom made my favorite supper.....spaghetti and meatballs. I hop my alarm clock goes off tomorrow.
