

Food Menu Project

You are going to create a funny food menu for animals! Be creative and goofy with this lesson, but try to think of foods that animals eat.

Directions:

1. Brainstorm different foods that certain animals eat.
2. Focus your menu on what certain apex predators eat (*ex: eagles, snakes, lions, etc*)
3. Create at least 5 different menu items for those animals
4. Include the following:
 - Name of Each Item
 - Description of Each Item
 - At least 2 pictures of Items
 - Add color and designs to make it look nice

Examples:

- Rabbit Burgers
- Snake Kabobs
- Antelope Steaks
- Mouse Sundaes
