## **Economics Wrap-Up**

Now that you have learned about economics, let's practice what we've learned!

| Good/Service   | Need/Want | Notes on Supply/Demand |
|----------------|-----------|------------------------|
| Oreo Cookies   |           |                        |
| Water          |           |                        |
| iPhone 15      |           |                        |
| House Builders |           |                        |
| Electrician    |           |                        |
| Actor/Actress  |           |                        |

## What are some other goods and services that you can think of?

| Good/Service | Need/Want | Notes on Supply/Demand |
|--------------|-----------|------------------------|
|              |           |                        |
|              |           |                        |
|              |           |                        |
|              |           |                        |
|              |           |                        |
|              |           |                        |
