

Big 5 Personalities

Read the following scenario and describe how each of the Big 5 personality traits will react and handle the situation.

Scenario: There has been a big divide in the states of the U.S. A lot of the states aren't seeing eye to eye and have decided to run their states the way they want, not how the political party in charge wants. This has led to another U.S. civil war! Half of the states are choosing to break off from the United States to form their own nation, while the other half are staying with the United States. The conflict and fighting has started...
