

Modern U.S. Politics Project

We have learned A LOT about the United States government and how our political system is operated. Some ideas you may agree with while others you may think are crazy; that is the beauty of having the freedom of opinion! Some politicians enjoy how the current U.S. political system is run, for a variety of reasons, and others believe it's corrupt and want drastic changes.

Question: If YOU were a U.S. politician, what would you discuss in your campaign?

Directions:

- Create a display (poster, pamphlet/brochure, slide show, etc.) of your thoughts on the modern day United States political system
- Include opinions and supporting reasons about the topics below
