

# THE TELL TALE HEART

## EDGAR ALLAN POE

Illustrate a key scene from the story.

Do you relate to any of the characters in the story? If so, which ones and how? If not, how are you different?

At one point in the story, the narrator describes how the windows in the old man's room were locked to keep out burglars. What is ironic about this statement?

In detail, describe the old man.

At the time this story was written, it was thought to be terrifying. Going by today's standards, would you classify it as a horror story? Explain.

Do you think the narrator is crazy? Explain.
