Dependent

How much time  
spent studying

Your grade

Hours worked

Money earned

How much data  
you use

Cell phone bill

How much air  
conditioning you  
use

Power bill

|   |                                      |
|---|--------------------------------------|
| Speed you were traveling                  | Price of speeding ticket             |
| Amount of rainfall                        | Height of grass                      |
| Number of cookies baked                   | Amount of money made from bake sale  |
| The number of people ahead of you in line | Amount of time you will wait in line |
| Number of miles you ran                   | Calories burned                      |

|                                 |                             |
|---------------------------------|-----------------------------|
| Age of car (in years)           | Price of car (in dollars)   |
| Hours spent cleaning beaches    | Amount of litter on beaches |
| Time spent playing Fortnite     | Level on Fortnite           |
| Minutes spent reading           | Vocabulary words learned    |
| Proximity to stage at a concert | Cost of concert ticket      |
