DIRECTIONS: Add the missing hand on each clock to represent the time given.

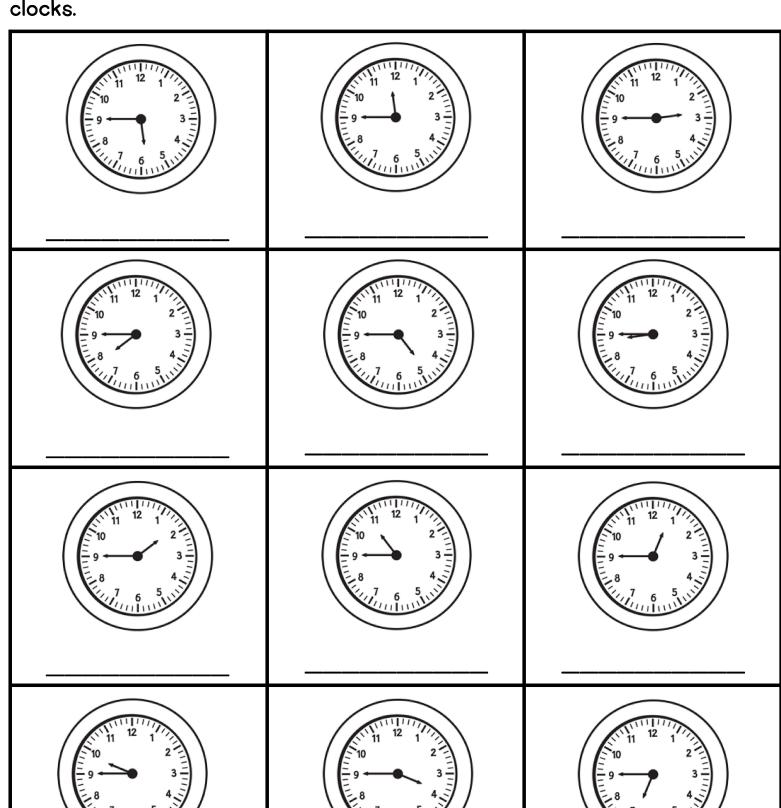

DIRECTIONS: Add the hour and minute hand on each clock to represent the time given.

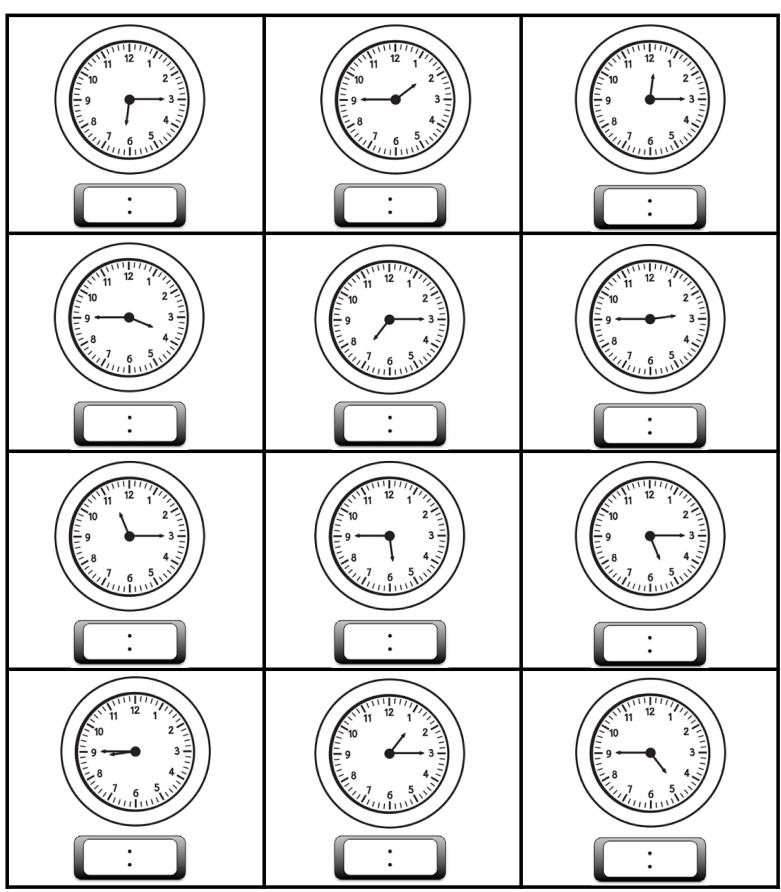

DIRECTIONS: Write the quarter past the hour time given the analog clocks.

DIRECTIONS: Write the quarter to the hour time given the analog clocks.

DIRECTIONS: Write the time on the digital clock to match the analog clock.

DIRECTIONS: Draw the hands on the clock to represent the digital time.

DENECTED 10. Draw the hands on the clock to represent the digital fillie.
