## Informational Brochure Foldable

**Directions:** Create an informational brochure about the Gross Domestic Product (GDP) by making a three-column foldable and including the information listed below in the top half and a visual representation in the bottom half. It will be double-sided when completed.

1. What GDP Measures
2. GDP Formula
3. Weaknesses of GDP Measurement
4. GDP and Standard of Living
5. Labor Productivity
6. How to Improve Productivity

1- What GDP Measures	2- GDP Formula	3- Weaknesses of GDP Measurement
Visual Representation		

4- GDP Standard of Living	5- Labor Productivity	6- How to Improve Productivity
Visual Representation
