

A large rectangle with a semi-circular notch on the right side. Inside, there are four dotted shapes for tracing: a circle with a vertical line through its center, a horizontal line, a semi-circle, and another circle with a vertical line through its center. At the bottom, there is a dashed circle.

A large rectangle with a semi-circular notch on the right side. Inside, there are four dotted shapes for tracing: a circle with a vertical line through its center, a semi-circle, a square, and another circle with a vertical line through its center. At the bottom, there is a dashed square.
