

1

What is the name of this 3D shape?

2

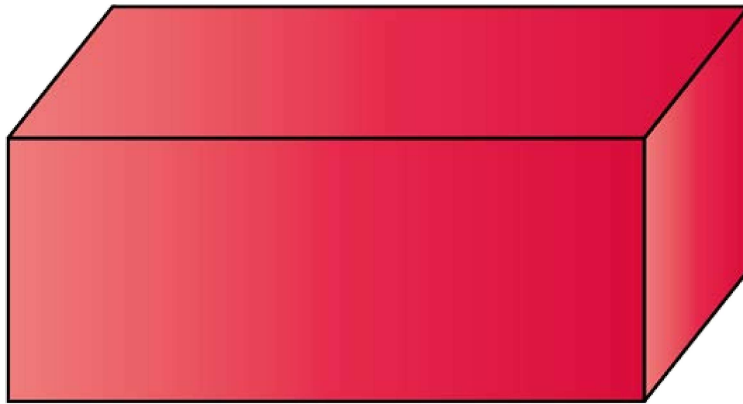

What is this part of a cube called?

What shape am I?

3

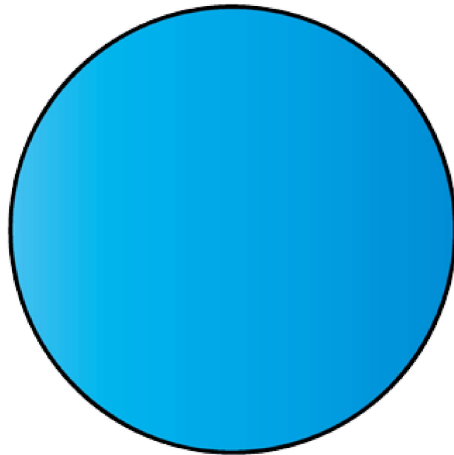

- I have 1 circle face
- I can roll
- I have 1 vertex

4

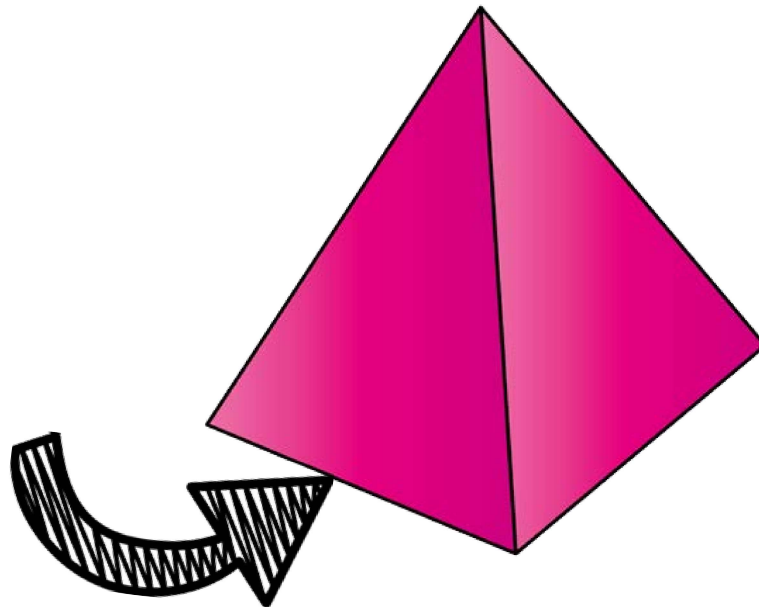

How many edges do I have?

5

What is the name of this 3D shape?

6

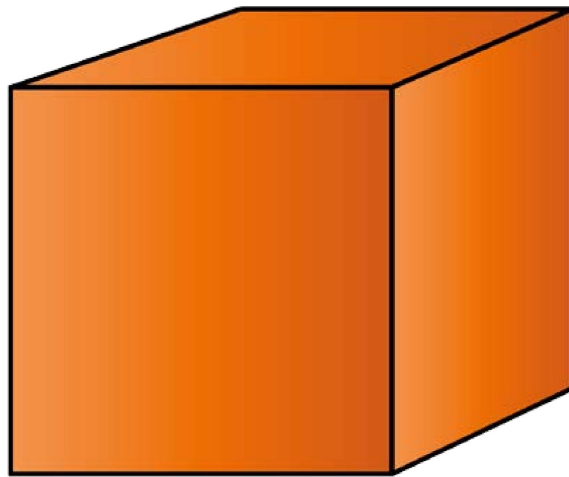

What is this part of a pyramid called?

What shape am I?

7

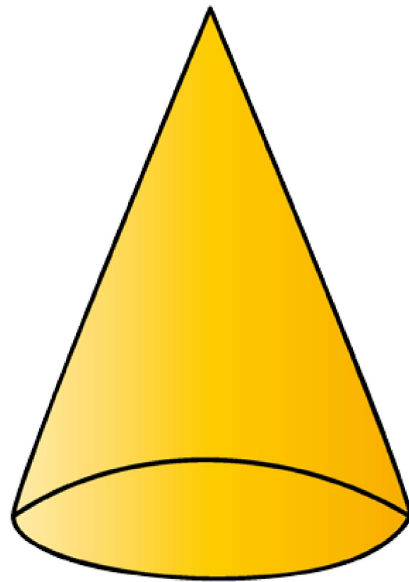

- I have 2 circle faces
- I can roll
- I have 1 curved surface

8

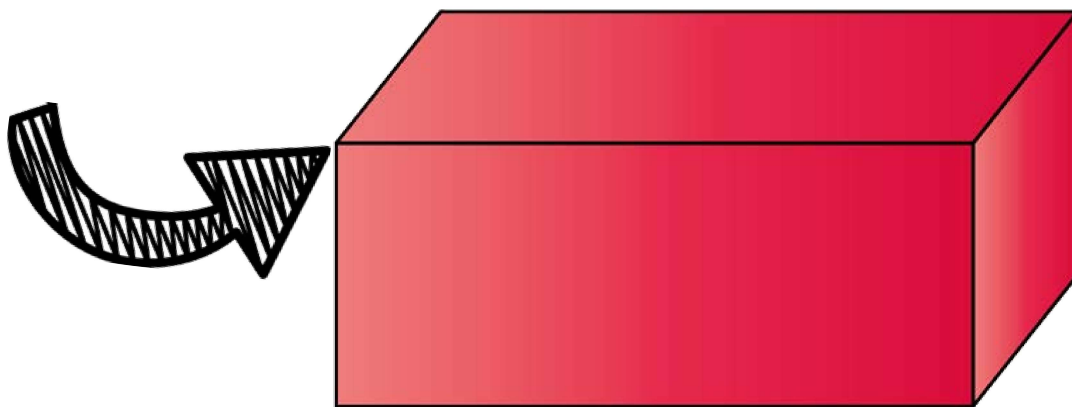

How many vertices do I have?

9

What is the name of this 3D shape?

10

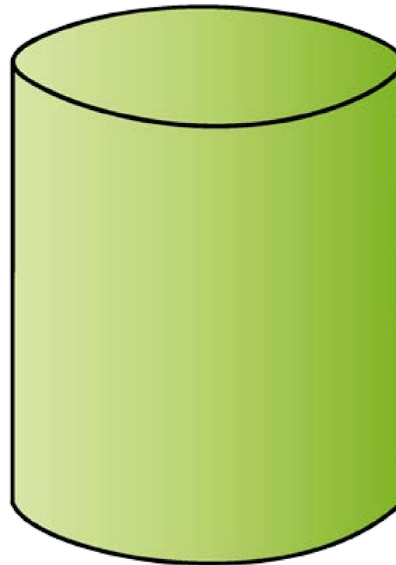

What is this part of a rectangular prism called?

What shape am I?

11

- I have no edges or faces
- I can roll
- I am round

12

How many faces do I have?

Name: _____

SHAPE SCOOT RECORDING SHEET: Answer the questions on each 3D Shape Scoot card and record answers below.

①	②	③
④	⑤	⑥
⑦	⑧	⑨
⑩	⑪	⑫
