

LIMERICK POEM

Write a 5-line limerick poem. The rhyme formula is AABBA. This means lines 1, 2, and 5 rhyme. Then, lines 3 and 4 rhyme.

Use at least two literary elements in your poem. Choose from simile, metaphor, onomatopoeia, alliteration, or assonance. Use your novel as the basis of your main idea.

Example (based on "Charlotte's Web"):

Charlotte

She was always praying,
Spinning sweet sayings.
To save an humble pig,
Who was as useless as a fig.
Nevertheless, he was a one-of-a-kind being.
