

# Bill Nye Water Cycle

Watch Bill Nye The Science Guy discuss the water cycle, then answer the questions.

1. What do you already know about water and the water cycle?

---

---

---

---

2. What is something you found interesting during the Bill Nye video? Why?

---

---

---

---

3. What questions do you still have about water properties or the water cycle?

---

---

---

---
