

Equivalent Decimals Puzzle

Identify equivalent decimal pairs in the grid and color them to complete the puzzle.

The puzzle consists of a grid of 24 hexagonal cells arranged in 6 rows and 4 columns. The numbers in the cells are:

| | | | |
|------|------|------|------|
| | | | 0.40 |
| 7.00 | | 0.04 | |
| | | 0.07 | 0.4 |
| | | 0.7 | |
| | 0.03 | 0.70 | |
| | 0.3 | 0.30 | |

Decorative elements include a red apple at the top center, a carrot at the top right, and a pink rabbit sitting on grass at the bottom left. The word "Start" is written below the rabbit.
